Dear Parents,

The 17th Parents-Also-Appreciate-Teachers Drive (PAAT Drive)

Our children are undoubtedly influenced by families and schools and we hold therefore the firm belief that the obligations of parents and teachers should be well respected and recognized. The PAAT Drive, jointly organized by the Committee on Home-School Cooperation, the Education Bureau (EDB), the HKedCity and Sing Tao Daily aims to help parents discharge their responsibility for honouring the efforts and achievements of teachers. It enjoyed massive support with the sending out of more than 1,000,000 copies of the 'Appreciation Cards for Teachers' in the previous year. We expect that you will continue to participate and support the Drive this year so as to strengthen the idea of 'honouring the teacher and respecting his teaching' and to provide a good model for our students.

The 'Appreciation Card for Teachers' carries a pre-printed thank-you message to teachers. We are now inviting you to spend just few minutes to fill in the name of the teacher you feel grateful to and add in your personal thank-you message and wishes. Please have the cards returned to your children's school from March to June 2011. Your Cards will then be received by your respectful teachers. More Cards, if required, are available at the following distribution points on a first-come-first-served basis while stocks last:
