Dear Parents,

## The 16<sup>th</sup> Parents-Also-Appreciate-Teachers Drive (PAAT Drive)

Our children are undoubtedly influenced by families and schools and we hold therefore the firm belief that the obligations of parents and teachers should be well respected and recognized. The PAAT Drive, jointly organized by the Education Bureau (EDB), the Committee on Home-School Cooperation, the HKedCity and Sing Tao Daily, aims to help parents discharge their responsibility for honouring teachers' efforts and achievements. It has enjoyed massive support with the sending out of more than 1,000,000 printed 'Appreciation Cards for Teachers' in the previous year. We expect that our parents will continue to participate and support the Drive this year so as to strengthen the idea of 'honouring the teacher and respecting his teaching' and to provide a good model for our students.

The 'Appreciation Card for Teachers' carries a pre-printed thank-you message to teachers. We are now inviting you to spend just three minutes filling in the name of the teacher you feel grateful to and adding in your personal thank-you message and wishes, and return them to your children's school between March and June, 2010. Those Cards will be received by your respectful teachers in due course. More Cards, if required, are available at the following distribution points on a first-come-first-served basis while stocks last:

We are grateful for the generous support from all walks of life for enabling the smooth conduct of the 16<sup>th</sup> PAAT Drive. Above all, its real success counts on your full participation.
