

## PANDA ENCOUNTER

### Become a Panda Conservationist!

Interact with life-like pandas, explore their unique features, and even feed them! Dive into the exciting world of panda conservation and learn about biodiversity and evolution through hands-on fun!

## PANDA POOP WORKSHOP

### Discover the Science behind Panda Care!

Learn how scientists use panda poop to find out their age and population distribution! Unleash your observation skills and explore the fascinating "Hu's Bite Method" to identify bamboo segments. It's a milestone in panda conservation research!

## AI EXPERIENCE

### Join an exciting AI adventure!

Explore the wonders of Artificial Intelligence! Watch as your drawings come to life and turn into vibrant promotional posters using AI technology!

DON'T MISS THE CHANCE  
TO CELEBRATE  
LUNAR NEW YEAR  
WITH US!

GET READY TO EMBARK ON  
AN EXTRAORDINARY  
JOURNEY FILLED WITH  
FUN, LEARNING AND  
UNFORGETTABLE MEMORIES.
